

## Uniform Code

### RATIONALE

School Uniforms have been compulsory at Templestowe Park Primary School (TPPS) since 1991. A uniform code reinforces in students a sense of pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing a sense of pride in representing their school. Issues of equality, health and safety as well as expense are also factors that contribute to the establishment of the dress code.
